Notes

1. Please attach a copy of your Firm’s headed paper to the application. If you email the application to us then you will need to send this headed paper by ordinary post.
2. Please include with your application two copies of recent sets of accounts for dentists that you have prepared, preferably one principal and one associate (having first of all blanked out the name and any other identifying details). If you email the application to us then you will need to send these sets of accounts by PDF attachment or ordinary post.
3. The annual membership fee of NASDA will be in the region of £500. This will not be payable until your membership is approved.
4. The NASDA Committee meets only every six months. Depending on how long it is before the next Committee Meeting after you return this form to us, it may be up to six months before you hear from us.
5. For a firm to become a member of NASDA there are various criteria. Some of these criteria must be met by the firm as a whole, and some of the criteria must be met by one individual contact partner. If all of the criteria are met by the contact partner and by the firm, then membership of NASDA is given to the one office of that firm that the contact partner normally works in. If a firm has more than one office then each office must apply separately, and each office must also have a contact partner normally working in that office for a substantial proportion of his time who meets the criteria.

6. Applications will normally only be accepted from practising Chartered or Chartered Certified Accountants.
7. Applications for membership of NASDA are considered by the Membership Committee. There are no definitive guidelines as to the number of clients that you must act for and each application is considered on its own merits.
8. Normally membership of NASDA is restricted to one member in each town or geographical area.
9. Once you have completed this form please forward it to:-

Mr Peter Howard
Booth Anisworth LLP
Alpha House
4 Greek Street
Stockport
SK3 8AB

10. If you have any questions about your application for membership please contact Peter Howard on 0161 475 3920 6288.
11. If your membership application is approved by the Membership Sub-committee then you will be invited along to the next bi-annual meeting. If you are able to attend this meeting then your becoming a member will be ratified at that meeting.
12. NASDA meets twice a year, usually at a hotel south of Stafford in the Midlands. To maintain your membership you would normally be expected to come along to a least one of these meetings each year. We would very much hope however that you would benefit so much from the meetings that, as most members do, that you will come along on both occasions.
